THE REAL CRISIS FOR US ALL

TREASURED PARTNERS AND FRIENDS,

We cannot look at the Ukrainian crisis today without an understanding what is happening in current world events. Whilst I gladly and highly commend the Ukrainian leadership and military, we have forgotten the most important person without whom victory for Ukraine will not be possible. That person is God Almighty, Father of the Lord Jesus Christ. It is in crisis like these that we discover who are true friends. President Zelenske and all Ukrainians should never trust the European Union, NATO or the Americans. The only person to really trust is God. There is no doubt that the western nations have provoked Russia and created the current stand off. We are already in the beginnings of a world war but it is not going to happen as yet.

Now, three years ago the great heavenly war between the archangel Michael and his angels and the Devil and his hordes came down to this planet. The earth is the final battleground between good and evil. The book of Revelation makes this abundantly clear. The Devil is marching around seeking to devour entire nations as the end draws near. The rich, liberal humanists of this world are pitted against the rest of humanity and especially God who they hate with a passion. We cannot ever understand what is happening if we do not believe and accept that powerful spirits of deception and seduction are operating in the world. Anybody is open to being deceived and seduced and behaving in a way they never believed possible.

THE REAL CRISIS FOR US ALL (CONT.)

The last three years have witnessed destructive avalanches against the whole earth. We have seen the Covid pandemic, destructive floods across the nations, war mongering in all nations and the mindless mistreatment of people everywhere. Lawlessness is abounding. In Malawi for instance people are being mutilated to death for the equivalent of a few dollars or a cell phone. This is nothing but mindless mutilation and destruction. When a human being will take a machete and dismember a fellow human being as he screams for mercy then such an act is nothing less than demonic. This is the point to where the human race has degenerated.

As an intercessor I do not have the luxury of choosing sides or even thinking thoughts but simply listening to and obeying God. Ezekiel chapters 38 and 39 speaks of the great war of Gog, the land of Magog. All Bible interpreters and commentators are agreed that this Gog is Russia. We are told,

“It shall also come to pass, that at the same time shall things come into thy mind, and thou shalt think an evil thought.” This is precisely what has happened to Vladimir Putin. He has been provoked by Satan to re-empt the Gog-Magog war BEFORE ITS TIME. The Devil knows he has but a short time and his agenda is to attempt to frustrate God's program. It matters not the pros and cons or who has done what and why between Russia and Ukraine and the west. The matter is that Satan has brought an evil thought to the mind of Putin. He has been seduced and deceived by the enemy of mankind and is being used as a pawn by Satan as was Hitler used in similar fashion from 1939-45 to pre-empt the battle of Armageddon before its time.

This is not merely a natural war taking place in Ukraine. We are witnessing a massive spiritual conflict being played out in a natural arena. This is not about brinkmanship but about the **CONSTRAINING HAND OF ALMIGHTY GOD**. The victories of Ukraine against overwhelming odds and military power proves that God has come down into this natural war that has been provoked by Satan.

Like never before, the church especially in Ukraine needs to be on its face in prayer and the intercessors worldwide need to take up the battle to win in the spirit. Those who are on the Lord's side cannot entangle themselves with the affairs of this world but must be separated unto the Lord for his glory. We may endlessly debate who is at fault and who is responsible for this great debacle but in the end, it is Satan and we are the army of the Lord if we love and serve out God. Putin is Satan's tool to attempt to frustrate God's programme. Ukraine has every legal and legitimate reason to fight and God is on the side of Ukraine. Let us not forget, however, that there are multitudes of Russians that also love the Lord but who have been seduced and deceived by Putin into fighting. The testimony of captured Russians makes abundantly clear that the majority of Russians are against the war when they realize the truth.

THE REAL CRISIS FOR US ALL (CONT.)

What then are we up against? The answers are basic and clear.

1. Our real enemy is Satan who has no love for mankind no matter his nation, colour or creed.
2. The rich who rule the earth have no love for the multitudes and have an agenda to oppress humanity and they therefore align themselves with Satan.
3. Vladimir Putin who is currently playing Devils advocate has created a massive destructive war which brings the entire world to the brink of World War III and nuclear catastrophe.
4. God is Lord of heaven and earth and will not allow this to happen. It is not yet the Lord's time.
5. Intercessors need to travail that God would rein in Putin and stop the flagrant destruction of people and property in Ukraine by bringing Putin to heel. Needless and senseless deaths must stop. Pray Putin out of the picture and if necessary, God's judgment to fall on him as he has aligned himself with an enemy of mankind.
